

Swannington Summer Newsletter

School News from Mrs Ryder-Smith

We have had an extremely positive and productive year, in which staff and pupils have all pulled together to continue to make Swannington such a great school. Reflecting on our positive SIAMS report, we are all so proud of our school community.

I am sure not many people escaped Mr Worrell's excitement as we reached the final of the Rose Plate, we are delighted to have reached this far, but sadly lost 4-1, with Henry cheering at the sidelines with his broken arm!

Over the past few weeks we have been meeting our new EYFS pupils who are all so excited to be joining us. It is with some sadness that we will also be saying goodbye to our fabulous Year 6 pupils - they truly have been a special group of children who will be extremely missed, but always part of our Swannington family.

From the beginning of the new academic year EYFS, Year 1 and 2 will be taught by our Key Stage One team; Miss Hickman, Mrs Broughton, Mrs Patrick and Mrs McMenamin. They will be taught separately for core subjects e.g Maths and English and come together for parts of the day. Our highly experienced and qualified team will enable us to continue to optimise resources, enhance peer interactions, and continue to provide a personalised learning experience for each child.

I would like to thank Miss Corbett for stepping in just when we needed her. Her positive attitude and hard work has been an asset to our school. While we will miss her, we wish her well in her new ventures.

I leave you in the capable hands of Mrs Maybury and Mrs Ashfield for the Autumn term and I am sure you will see Mr McLugash around school ready to take up his new post from Christmas.

Thank you for all your support this academic year and I wish you and your families an enjoyable and restful Summer!

Collective Worship

Our recent topic of 'wisdom' has helped us consider what it means to be wise. This includes asking for help and thinking before we act. We revisited spirituality and thought about our personal journeys. Next we will have the topic 'moving on' as we consider the changes we have coming up.

Classes for 25/26

EYFS, Year 1/2 - Miss Hickman and Mrs Broughton

Year 3/4 - Mrs Maybury (3 days) Mrs Thomas (2 days)

Year 5/6 - Mr Worrell

FOSS News

Thank you for everyone that joined us at the Summer Fair, we all had a great day and the weather especially helped. We managed to raise £678.16, which will go towards contributions to the school next year. On top of this, the drinks brought at Sports Day raised £60.70.

Thank you so much to our FOSS team who volunteer their own time for the school.

Sports News

Our Year 6's played so well in their netball competition; they got through to the semi finals! Unfortunately we didn't make it any further but we are so proud of them all.

Our Year 4-5 football team have played incredible well this half term and reached the final of the Rose Plate Cup. Sadly we didn't take the victory but there is always next year. Well done everyone involved and thank you to the parents for their support.
