

Swannington Summer Newsletter

School News from Mrs Ryder-Smith

As we come to the end of another busy half term, we are feeling extremely proud of our pupils. Our Year 6 children have completed their SATs with the resilience which shows they are ready for high school, and enjoyed a McDonalds treat to say well done! We have enjoyed a trip to the Zoo and swimming lessons have begun. Thank you for supporting the school with our book fair which enabled school to purchase up to date books for our library.

Miss Hickman and Mr Noble are continuing work on our garden project - thank you to you all that have sent in donations or helped in any way. Our FOSS have been busy fundraising and if you are able to share the date of our Summer Fair to friends and neighbours it would be appreciated.

You will see there is a letter attached to this newsletter about our school lockdown drills. These will be taking place next half term, and will be conducted in a considered and calm manner. Hope you have a lovely half term!

Collective Worship

We have been thinking about Wisdom and what it means to be wise. We talked about making the right choices and heard the Bible parable from Matthew 7:24-27 about 2 men building their houses on a rock.

A part of our Pupil Charter, Year 4 pupils attended Rise Voices which was a truly magical evening. Our Year 3 pupils all travelled to different schools on Tuesday to take part in sporting events with other Rise Schools, they all came back and said what a great time they had had, and made lots of new friends!

Sports News

Huge congratulations to our Year 4/5 football team. On Tuesday, they competed in the quarter-final of their competition and came out 4-0 victors against Snarestone!

After half term, our Year 6's are competing in a netball competition - please join us in wishing them luck!
